

NORTH HILL CENTRE PARKING GUIDELINES

Please note that the Centre has two distinct parking areas, each with varying controls. The entire property offers complimentary parking for guests while shopping in the respective businesses of the Centre, ranging from 2 to a maximum of 3 hours.

On the West Side (Blue Side), there is Free Parking for a maximum of 3 Hours patrolled by Bentall Kennedy.

On the East Side (Yellow Side), operated by WestPark, there is Free Parking for a maximum of 2 Hours primarily during Sears' Hours of Business. On this side, guests must register their vehicle licence plate at a pay station to obtain Free Parking for 2 Hours. There is an option to park earlier or remain longer on the lot by purchasing additional time for anyone wishing to do so.

Please be sure to follow the instructions on the signs and pay stations. If you have any inquiries with parking on the East (Sears) Side, or have a question following the receipt of a Violation Notice, please contact a WestPark guest services representative at 403.269.7275 or by email at guestservices_cal@westpark.com.

For parking inquiries on the West Side, you can contact Bentall Kennedy at 403.289.2516. Thank you for your attention and understanding of the new parking guidelines.
