## NORTH HILL CENTRE CALGARY, AB

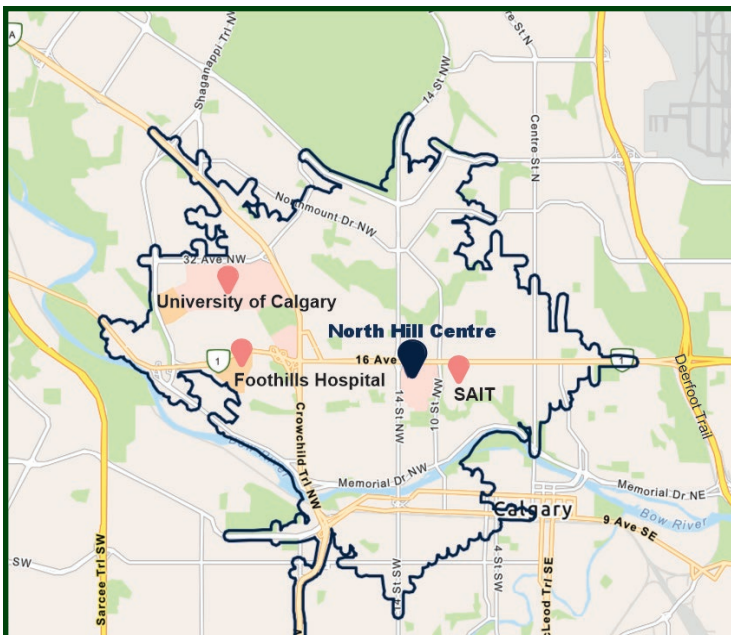

North Hill Shopping Centre is located in north central Calgary in the community of Hounsfield/ Briar, a mature market with young urban families that want to live close to the downtown city core only 3 km to the southeast.

Located on the southwest corner of 16th Avenue NW, (Highway 1), a major commercial thoroughfare and east-west transportation corridor (46,000 vehicles per day), and 14th Street NW (41,000 vehicles per day), North Hill Centre enjoys exposure to well over 87,000 vehicles per day. The immediate area is characterized by mixed commercial use on the major thoroughfares and a mix of single family and higher density residential housing surrounding the centre.

In addition to a young, growing and affluent trade area of over 100,000 people within an 8 minute drive time of the centre, North Hill also benefits from being adjacent to SAIT, the third largest post-secondary institution in Alberta with almost 14,000 students, and over 2,700 staff. The University of Calgary is also less than 3 km away, with a current student population in excess of 30,000 and approximately 5,000 faculty and staff. Foothills Medical Centre, the largest hospital in Alberta and one of the largest in Canada with over 1,100 beds is located just 2.4 km to the west, and Alberta Children's Hospital, the largest public hospital for sick children in the prairie provinces is located just over 4 km away, both of which drive additional traffic to the centre.
